

The Marmac Company is a woman owned SBA-designated Small Business. Our customer history includes large companies such as Ford, General Motors, Chrysler, Pratt & Whitney, Boeing, and Caterpillar as well as a variety of government contracts via prime contractors.

Standard items regularly fabricated by Marmac include:

- Fork truck service lifts.
- Bascule bridges to span rail wells
- Orchestra/stage lifts
- Nose gear lifts for hush houses
- Jet engine assembly lifts

To complement our lifts, we offer:

- Furnished controls with standard relays as well as systems using PLC and computers.
- We have designed and fabricated hydraulic power units with horse powers up to 375 and gallons per minute in excess of 400.

The Marmac Company is also a machine shop. Complete with:

- Vertical turret lathes
- Horizontal boring mill
- Large lathes capable of
  - 30 foot length
  - 28 inch diameter

For over 50 years, The Marmac Company has designed and fabricated custom hydraulic lifting equipment to meet our customers' needs. Examples include:

- A lift to raise a 50 pound display for children to view in an aquarium
- 800,000 pound mobile lift to transfer a prefabricated steel section
- Lifting equipment for underwater use
- Fabricated hydraulic cylinders with strokes ranging from 6 inches to 60 feet

Our cylinder designs include:

- Single and Double Acting
  - Up to 24 inch diameter
- Differential Column
  - Surface mounted
  - Eccentric load
- Telescopic
  - Compact design
  - 60 foot extension
- Severe Duty
  - Harsh contaminated environments
  - High speed
  - Eccentric load

NAICS Code	Category Name
332312	Fabricated Structural Metal Manufacturing
332313	Plate Work Manufacturing
332710	Machine Shops
332999	All Other Miscellaneous Fabricated Metal Product Manufacturing
333298	All Other Industrial Machinery Manufacturing
333921	Elevator and Moving Stairway Manufacturing
333922	Conveyor and Conveying Equipment Manufacturing
333924	Industrial Truck, Tractor, Trailer, and Stacker Machinery Manufacturing
333995	Fluid Power Cylinders and Actuator Manufacturing

We have also supplied equipment as a subcontractor for larger products fabricated by other equipment manufactures.
